Press Release

Amundi appoints new Global Equity Senior Portfolio Manager

London – 9th September 2011. Amundi reinforces its active global equity team with the appointment of Jason Josefs as Senior Portfolio Manager.

Jason will co-manage Amundi's flagship active global equity thematic fund. He will report to Paul-Georges Moucan, Head of Global Equities in London. His appointment increases Amundi's active global equity team in London to five investment professionals.

Amundi's Head of Global Equities in London, Paul-Georges Moucan said: "*We are very happy to welcome Jason to the team. We expect his experience and expertise to significantly contribute to the positive relative performance and growth of our active global equity thematic fund.*"

Jason Josefs
Senior Portfolio Manager
Jason joins Amundi from Aviva Investors where he was recruited as Head of Research in 2007 and appointed Fund Manager of Aviva's global equity and balanced managed funds in 2008. Previously, he was a portfolio manager with Bernstein Value Equities, a unit of Alliance Bernstein, from 2002 to 2007. Prior to that, Jason was a quantitative analyst with Instinet, where he worked in their New York office and launched their European Investment Strategy Group in London.

Jason started his career in 1998 as an analyst with the Federal Reserve Bank of New York. Born in 1976, he holds a BA in Economics from Queens College of the City University of New York, an MSc in Finance from London Business School and is a Chartered Financial Analyst (CFA) charter holder.

About Amundi

Amundi ranks second in Europe[1] and ninth worldwide[1] among the players in asset management with €691.9 billion under management[2].
Located at the heart of the main investment regions in more than 30 countries, Amundi offers a comprehensive range of products covering all asset classes and major currencies.
Amundi has developed savings solutions to meet the needs of more than 100 million retail customers worldwide and designs innovative, high-performing products for institutional clients which are tailored specifically to their requirements and risk profile.
Benefiting from the support of two powerful banking groups, Crédit Agricole and Société Générale, Amundi aims to establish itself as a leading European asset management, recognised for:

- the quality of its products, their financial performance and transparency
- its close relations with customers, partner networks and institutions
- the efficiency of its organisation, resulting from the individual and collective talents of its teams
- a commitment to integrate sustainability and socially responsible criteria into its investment policies, going beyond financial criteria alone.
