Your Funds' 2018 Income From U.S. Government Sources

Tax information

As of January 2019

us.amundipioneer.com

A portion of the amount in **Box 1a** on **IRS Form 1099-DIV** may be exempt from state and, if applicable, local taxation because it was earned from direct obligations of the U.S. government or its agencies. The following chart shows the percentage of income that each Pioneer fund derived from investing in such U.S. government sources. If a fund is not listed below, it did not have any reportable income from U.S. government sources. Multiply this percentage by the amount in Box 1a to determine the dollar amount that may be excludable from your state income tax.

While U.S. government source income is exempt from all states' income or intangible tax, not all states define U.S. government obligations in the same way. Please consult your tax adviser to determine the portion of your dividends that may be excludable from income tax in your state.
