

2017 Qualified Dividends

Qualified Dividends are eligible for a reduced tax rate and are reported in Box 1b on Form 1099-DIV. Ordinary Dividends reported in Box 1a include amounts distributed as Qualified Dividends. If the fund's distribution is not 100% qualified, Box 1a will be greater than Box 1b and the difference will be taxed at your ordinary tax rate.

The following chart shows the 2017 percentage of qualified dividends for each applicable Pioneer fund (all classes).
