USA PATRIOT Act Information

Important Information About Opening a New Account

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

Please talk to your investment professional or call Amundi Pioneer at 1-800-622-0176 if you have any questions about completing this application.

For information about our privacy policy, see the Privacy of Customer Information brochure, which is mailed upon confirming the new account opening and annually thereafter. If you opened your account through a brokerage firm, you can also view the privacy brochure at amundipioneer.com/us. Check each fund's prospectus or summary prospectus for information about the share classes available and which is suitable for your investment.
